Re: Women European Championships 2009 in Poland

Dear Mr. President,

On the occasion of the presentation for the organization of the women European Championships in Lodz (POL), we are pleased to congratulate you for the professionalism of your national federation.

We have noted with interest the hard work already provided by your federation for the preparation of this major European event. We acknowledge the excellent initiative to associate the next European Championships to the Finals of the 2007 edition, and sincerely appreciate this step which marks the true start of the collaboration between the CEV, your national federation and the city of Lodz.

With best regards, we remain,

Yours sincerely,

André MEYER
CEV President
